For the Removal and Permanent Cure of al NERVOUS DISEASES, of those Complaints which are caused by an im-

NERVOUS SYSTEM This benetiful and convenient application of the mys-cious powers of GALVANISM and MAGNETISM, has been proporaced by distinguished physicians, both in Europe and the United States, to be the most rainable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT MAGNETIC FLUID, used with the most perfect and certain success in

ull cases of GENERAL DEBILITY, Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRO-From first of October, a small two APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, VOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause

> A Derangement of the Nervous System. 00- In NERVOUS COMPLAINTS, Drugs and Medicines increase the discuse, for they weaken the vital' energies of the already prostrated system; while under the strengthening, life-giving, vitalizing induence of Gal-vanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of Dr. Christie's Galvanic Curatives, consists, in the fact that they arrest and cure disease by outward application, in place of the usual mode of drug-ging and physicking the patient, till oxhausted Nature inks hopelessly under the infliction They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never is the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else been tried in vain!
To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties; after the action thus excited has coased. Now compare this with the effect resulties. fect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt ar and the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Gulvanic irculation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A VEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

Cartificates and Testimonials Of the most Undoubted Character, From a. parts of the Country could be given, sufficient to fill every column in this paper ! AN EXTRAORDINARY CASE,

Dr. A. H. Christie-Dear Sir: You wish to know of me what has been the result in my own case, of the ap plication of THE GALVANIC BELT AND NECKLACE My reply is as follows:

For about twenty years I had been suffering from Dyspensia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of med-ical treatment whatever. My physicians were skilful and excellent men; but here their prescriptions failed "About fourteen years since, in consequence of frequent extism, which for year after year, caused me indescribable anguish. In the severer paroxysms, the skill of my phyown and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as at private sale, will be offered at Auction, without reserve.

My nerrous system was now thoroughly prestrated, and as my Bronch its became worse, so also did my Dyspepsia and Rheumatic effection-thus evincing that these dis orders were connected with each other through the med-ium of the Nervous System. My sufferings were indeed N. the highest of her joys.

But reasoning from effect so cause, I concluded that the Nervous System must be reached, before any hope could be indulged of my obtaining relief from these most distressing maiadies. In the whole pharmscoperis there seemed to be no remedial agent which could reach and recuperate my Nervous System; every thing that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAG-NETIC FLUID. This was in June, 1845. To my GREAT ASTONISHMENT, IN TWO DAYS MY DYSPERSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED, TO RESUME MY PASTORAL LABORS ; NOR HAVE I SINCE OMITTED A SINGLE SERVICE ON ACCOUNT OF THE BROSCHITH; AND MY RHECMATIC AF FECTION ALSO CEASED TO TROUBLE ME. If time permitted, I could fill a sheet of paper with the details of particulars, sale, and he asks for his efforts such patronage as State pride and juterest should prompt the people of North Carolina to give him.
